# CHEIF SCOUT OF THE WORLD

The first international Scout Jamboree took place at Olympia, London in 1920. At its closing scene B-P was unanimously acclaimed as Chief Scout of the world. At the third world Jamboree, held in Arrowe Park, Birkenhead, England, the Prince of Wales announced that B-P would be given Peerage by H.M. the King. The news was received with great rejoicing. B-P took the title of Lord Baden-Powell of Gilwell. Gilwell Park being the international training centre he had created for Scout leaders...

had created for Scout leaders. B-P wrote no fewer than 32 books. He received honorary degrees from at least six Universities. In addition, 28 foreign orders and decorations and 19 foreign Scout awards were bestowed upon him. In 1938, suffering from ill-health, B-P returned to Africa, which had meant so much in his life, to live in semi-retirement at Nyeri, Kenya. Even there he found it difficult to curb his energies, and he continued to produce books and sketches. On January 8th, 1941, at 83 years of age, B-P died. He was buried in a simple grave at Nyeri within sight of Mount Kenya. On his head-stone are the words "Robert Baden-Powell, Chief Scout of the World" surmounted by the Boy Scout and Girl Guide Badges. Lady Olave Baden-Powell carried on his work, promoting Scouting and Girl Guiding around the world until her death in 1977. She is buried alongside Lord Baden-Powell at Nyeri.

## THE BOY WHO IS BANNED FROM YOUTH CLUBS

An 11-year-old boy has been banned from joining the Scouts because he does not believe in God and refuses to swear allegiance. George Pratt had attended his local Scout group for ten months before scoutmasters invited him to invest in the group. But the schoolboy, from Radstock, Somerset, refused to make the Scout Promise which includes doing one's 'duty to God and to the Queen'.

## A CENTURY OF SCOUTING

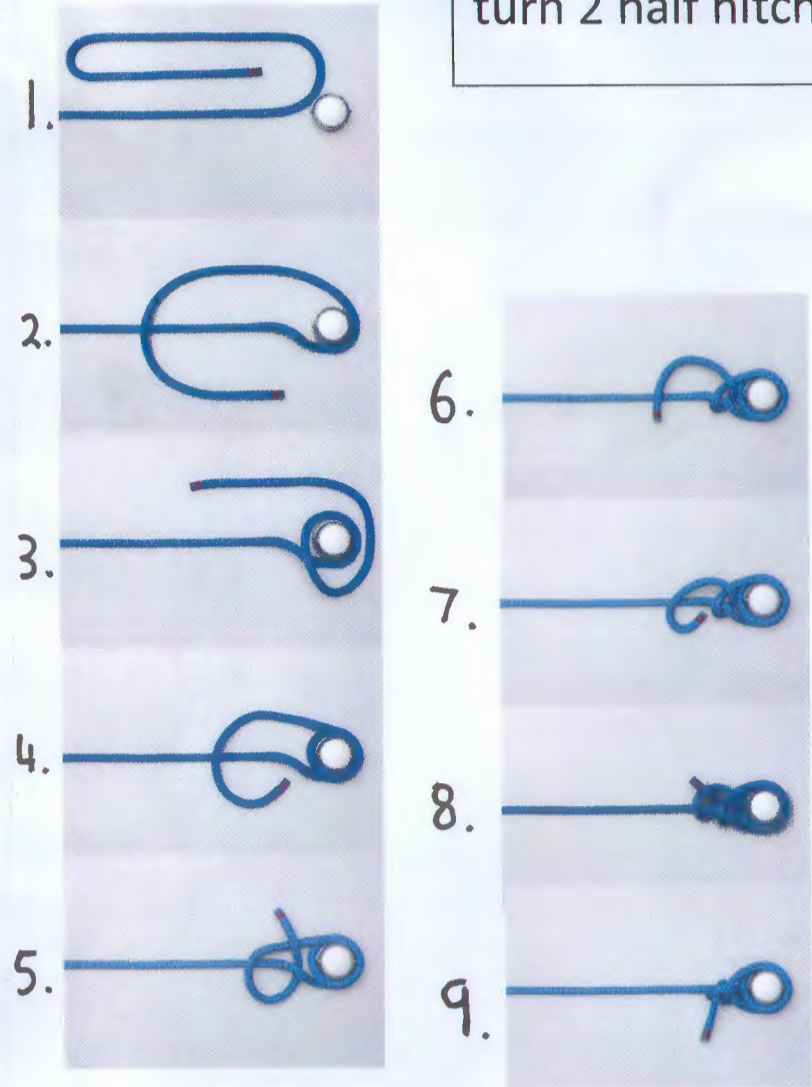

Scouting was founded by Lord Robert Baden-Powell of Gilwell (1857-1941), a decorated soldier, talented artist, actor and free-thinker. His experiences during the Boer War propelled him to develop a training programme for young people in Britain. In 1907, encouraged by his friends, he held an experimental camp on Brownsea Island, Poole, Dorset, to try out his ideas. He brought together 20 boys, some from public schools and some from working class homes, and put them into camp under his leadership. The movement was born. Scouting for Boys was published in 1908 and sales of the book were enormous. What had been intended as a training aid for existing organisations became the handbook of a new and, ultimately, worldwide movement. Scouting for Boys has since been translated into many different languages and dialects. There are now around 28million Scouts worldwide.

### The night hike

On the 27th November the scouts set off on a miserable hike when it was unfortunately raining they set off walking from Skidby mill, via Bentley fish pond and slowly headed back, they went across the Westwood then back to the parish hall they must have walked at least 5 miles plus. They all enjoyed it hopefully there will be a new year's hike.

There are also other ways but this is one way.

## WELCOME

Throughout every 4 or 5 months we get the odd one investment, I would like to say welcome to a few new members of the troop. They have come to our troop throughout the whole of this year and we are all pleased to see more scouts entering the 1<sup>st</sup> Beverley group.

## **Summer Camp**

*by Peter Riggs*

*This year the 1<sup>st</sup> Beverley ST Nicholas scout troop went on an adventurous summer camp, we went to a place called hesley wood for 5 days.*

*On the first day, we drove to the campsite in the minibus; once we arrived we set up camp. We then cooked tea. After our delicious tea which every meal we had a different leader dining with us, we had an activity booked for us to do we had many over the 5 days of camp. The first activity was the cresta run.*

*On the second day we went on the rock wall, went in the indoor maze and went on the amazing assault course.*

*On Wednesday we had a day out of camp so nearby was the peak district so we called and observed the blue john mine and the stump cross caverns. One was filled with water so we used a boat to enter it. After that we went into Castleton and 3 of the lads chipped in to buy an inflatable boat.*

*At Thursday we climbed a hill called kinder scout, this was to rein act a similar hike done by the 1<sup>st</sup> Beverley in 1950. When we got back we had a zip wire ready for us*

*This fabulous week was coming to a close and on Friday we packed and drove home.*

*Many pleasant remarks have been made about this brilliant camp and im sure many more people will attend the future camps*
