A newsletter
for 1st Beverley
(St. Nicholas)
Scouts

With articles from the
Scouts and Patrols

On the 18th of December, 1st Beverley St. Nicholas Scouts attended a Christingle service in St. Nicholas Church. We made christingles and enjoyed different activities. After that, it was time for the service and we lit them. At the end, there were delicious hot dogs. We had a great time.

CLOVE HITCH

A simple all purpose hitch. Easy to tie and untie it holds firmly but is not totally secure.

Make a turn around a post with the working end running underneath the standing part. Take a second turn around in the same direction and feed the working end through the eye of the second turn. Pull tight.
